Do not give any legal arguments or cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. (Use as much space as you need. Attach extra sheets if necessary.)

On May 26th 2005 I Antoine McGehee was on a Court writ and was housed in F-House cell-350 and an incident took place whereas the correctional officials created this entire incident when they went to cell #109 and started calling the inmate in that cell a "Baby Raper" and ordered the tower officer to open the cell #F-109 without handcuffing the inmate who was in segregation and on extreme escape risk. After booking this inmate a fire was set by the back door and the officials deliberately stood by and allowed this fire to burn out of control. While two known aggressors (Lt. Brown and Lt. Givens) went to cell #F-129 and placed two cans of mace in the chockhole and emptied them after the fact that mace was already sprayed in cell #F-109 This incident escalated out of control as inmates gasped for air and banged on doors asking the correctional officials to open the door to let the smoke out. The unit Lt. Wilson, Sgt. Grant, ~~CUA~~ dancing in front of the unit stating that they were going to get paid, that

they had Aftec. As these officials stood by the fire
 was well on its way to burn out of control and the
 top of the cellhouse was filled with thick black toxic
 smoke whereas you couldn't see the cell across the
 gallery and there were several mattresses and 12-20
 large bags filled with styrofoam trays and other
 garbage in them. I then started to call all
 officials that I know by name Sgt. Grant, Lt. Davis,
 Lt. Buczkowski, Lt. Wilson, % Allen, % Palma and Lt. Sawyer
 and not one official took steps to come see what I
 wanted and I told them I could not breathe and
 Lt. Buczkowski went so far as to say put some
 pressure on your bunk and you will be alright. The
 next day I saw Med-Tech Sandy Thompson I stated
 to him I was having breathing problems and that I
 needed to see a doctor and I was told that He
 Sandy would try to get me over to the doctor and
 it never happen and I was also told by Med-Tech Wendy
 that she was not taken nobody out of their cell. for
 nothing that I need to see the morning Med-Tech. I didn't
 receive any medical attention until my arrival back to
 Hill Corr. center. These officials denied me my
 constitutional rights and violated my 8th Amendment by
 denial of protection of my health and safety due to their deliberate
 indifference and their cruel and unusual punishment I still suffer from
 inhaling toxic smoke. Every official name is, sued in their own individual
 Capacity.

VI. Relief:

State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.

to be awarded compensatory damages as well as to nominal and punitive damages for as to longstanding and vesive and deliberate indifference to protect my Health and safety for the sum of \$450,000, and whatever the court feels that should be appropriate, plus copying fees, and I want Defendant to be criminally prosecuted for violating my civil rights.

I declare under penalty of perjury that all facts given in the complaint are true and correct.
